

Workshop 1 – David Kinross (CCD)

Community Buildings

Issues

Gaps in support

What can LAGs do?

Value from existing services

Strategic investment

Baseline information

Strategic Investment

- Who has the power / control?
- Collaborative action
- Currently first come first served
- Inclusion of small marginalised (geographical?) communities left behind
- Pot available following 1 year building capacity. Focused. Torridge and North Devon
- Investment ready – spend within a year
- Sustainable communities
- Commissioning – real costs
- Competition vs. VCS groups

Gaps in Support

- Developing capacity to demonstrate outcomes
- Green – energy efficiency. Initial audit – Envision
- Promotion and encouragement e.g. LAGs
- RDPE consultancy to assess resource efficiency
- Delivery on audit idea and CCD, DARE, LAGs, SWARM?

Baseline information

- Information on funding
- Green audits
- Grants information – 5 years CCD, 2 years Devon Renaissance.
- Community planning website
- Breakdown of CB research per LAG. Let CCD know cost.
